FOR IMMEDIATE RELEASE

MYDOUBLEDDOUBLE ESTATE RESTRICTS NIGERIAN OPERATIONS

Abuja, Nigeria

MyDoubleDouble Estate has temporarily halted the estate development activities in Sabon Lugbe, Abuja Nigeria. This unfortunate development became necessary because of fraudulent land allocation activities affecting the original land purchase documentations of five of the prospective Estate development sites in Abuja.

We currently have disputed land in the Abuja court and a recent 'land grab' event now made it imperative to pause and push back against the "Abuja Land Cabal" in a way that would not put subscribers monies in jeopardy.

In recent past, more than 50 other estates in Abuja are victims of such corrupt land dealings, resulting in hundreds of subscribers losing their investments, land and properties. However, investments in MyDoubleDouble Estate are backed by an iron-clad guarantee that 'you cannot lose your money with us'.

Paul-Kayode Joash, President of MyDoubleDouble International the parent company of MyDoubleDouble Estate had this to say, "We are delighted with the value system undergirding this real estate operation (as well as all our business interests and partnerships), where we guarantee all investments and subscribers funds in spite of market conditions. Our policy is to embark on a full refund – no questions asked".

MyDoubleDouble Estates' legal counsel are duly engaged as well as reporting this fraud to the relevant government agencies including The Nigerian Police, Independent Corrupt Practices and Other Related Offences Commission (ICPC) and the Economic and Financial Crimes Commission (EFCC).

The management of MyDoubleDouble Estate is also reaching out to all subscribers in agreeing the terms for their full refund of all monies paid, as the Abuja operation is temporarily halted, with renewed focus to continue the development of the other estates in Lagos and Ogun State.
